

Why work as a Live-In Carer for Kivernell Care?

You can make a difference by helping elderly and disabled people to live a fuller independent life in their own home.

What does the job involve?

- Some of our clients need minimal assistance with personal care; others need total help with getting up, washing and dressing etc.
- Shopping
- Cleaning
- Companionship
- You will live with the client for at least a week at a time. Actual shift patterns by agreement
- You will be provided with your own bedroom and food and drinks
- You will work up to 10 hours of unmeasured work per day
- You will get a 2 hour break per day at a time to be agreed with the client

Do I get regular clients?

- Yes, we try where possible, and ensure you look after the same clients regularly

I haven't got any care experience, does that make a difference?

- No, experience helps but as long as you have a caring nature, we will give you all the training you need

What training will I be given?

- We will give you induction training, which will be some classroom work and shadowing an experienced carer
- We also provide in house NVQ training

I am very experienced; do I still need to do the training?

- Yes you do, even though you have experience you need to be familiar with the company policies and procedures and the latest legislation regarding home care

What will I be paid?

A generous pay rate, dependant upon the complexity of the care package and your level of experience

When will I be paid?

- You will be paid every 2 weeks, which is paid directly into your bank account

If I have any problems what should I do?

- Whatever the problem you should contact the office or out of office hours the on-call manager. There will always be somebody at the end of the phone to help you
